Our Book of the Month!

Squirrel and Bird are back, and this time it's winter! But Squirrel has never seen snow before. Will he like it? You bet he will! Except, just as Squirrel starts to get used to the snow, it disappears. Is there a snow thief on the loose? With vibrant art and captivating characters, the magic of winter is captured beautifully on each page as readers tag along Squirrel's forest adventure. Is there truly a snow thief on the loose, or is something else going on in Squirrel's forest? A perfect exploration of change—both seasonal and the anxiety that change sometimes causes.
