October is Adopt a Shelter Dog Month!

DID YOU KNOW?

- Adopt a Shelter Dog Month has been celebrated every October since 1981. The American Humane Association started it to encourage people to adopt dogs from shelters and rescue groups.
- The goal is to find loving homes for millions of shelter dogs and raise awareness about the benefits of adopting instead of buying pets from stores or breeders.
- By adopting, you not only provide a loving home to a dog in need but also contribute to solving the problem of overcrowded shelters.

Ways you can help:

- Adopt a new dog friend
- Volunteer at your local shelter
- Foster a dog
- Donate to your local Shelter
- Spread the word and educate others!

HALLOWEEN

PET SAFETY TIPS

NO SWEETS FOR YOUR SWEETIE

Keep your pets away from candy (especially chocolate); avoid placing bowls on the ground.

KEEP PUMPKINS AWAY FROM YOUR PUMPKIN

Decorative plants can be toxic and candle-lit jack-o'-lanterns are fire hazards if tipped over.

COSTUMES ARE OPTIONAL

Do not force unwanted costumes. Most pets prefer not to wear them.

NO TRICK OR TREATER GREETERS

The front door is a high traffic area. Doorbells and knocks can upset even the friendliest pets.

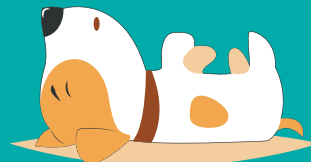

HAVE PETS I.D. READY

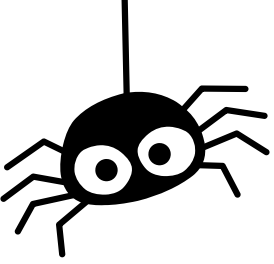

Spooked pets can get lost. Microchip and tag them in case they get out. This will help with reunification.

PARTY POOPERS ARE OKAY

Some pets are happier in a quiet room away from the party.

Our Book of the Month!

Come read it in our
ARLNH library!

Knocked from her mother's safe embrace by an attacking owl, Stellaluna lands headfirst in a bird's nest. This adorable baby fruit bat's world is literally turned upside down when she is adopted by the occupants of the nest and adapts to their peculiar bird habits. Two pages of notes at the end of the story provide factual information about bats.
